October 15, 2020

2020-2021 Concert Season

Welcome to the first edition of the Paradise Symphony Orchestra newsletter. We have set up this newsletter and website to keep you updated on the most recent developments with the PSO. Our response to the COVID-19 has been guided by a belief that we must “plan for the worst while hoping for the better.” However, in accordance with guidelines from the state and county health officials, we have made the difficult decision to cancel all PSO concerts through December 31, 2020.

We are hopeful in returning for the exciting lineup of live concerts in 2021 if state and county health officials permit us to do so. The PSO is grateful to have received a donation from the North Valley Community Foundation which has allowed us to offer the remaining concerts of the 2020-2021 concert season to the public for Free! Tickets for the concert are available at the Paradise Symphony Orchestra website.

Paradisesymphony.org.

Seating will be on a “first come first serve” basis.

The first scheduled concert will be on January 31st, 2021 at 6pm. Our January concert is themed in Vienna, the birthplace of the cultural arts. The concert will feature guest soloist Dr. Robert Bowman and Dr. Bradley Martin. Please plan to join us for a wonderful evening of Viennese delights. We will keep you updated on any changes of events on our website.

Upcoming Events

We have three exciting concerts and a fundraiser planned after the first of the year if state and county officials permit us to do so. Please see our dynamic new website at www.paradisesymphony.org, for details of these events. You don't want to miss these beautiful concerts!

“Without music, life would be a mistake.”

-Friedrich Nietzsche

Symphony Society

Your symphony society needs your help! The society is the underlying support organization of the Paradise Symphony Orchestra, and as such organizes their events, arranges their venues, publicizes their operations, arranges for sponsors, conducts fundraisers and is responsible for a myriad of other financial and physical support functions. We need additional volunteers and financial support. Become a volunteer, or better yet, join the society and add your financial support as well. If you are interested in helping out, please contact one of the board members listed by phone or email and tell us how you would like to help.

Lastly, we would like to express our grateful appreciation to you for your support for our wonderful symphony orchestra. We look forward to seeing you in 2021!
