

**Announcing the 2023 Arlene Harms
Young Artist Competition
Paradise Symphony Orchestra**

The Paradise Symphony is conducting our annual search for talented young musicians in the following categories of performance: orchestral instruments, keyboard and voice. Our categories include Junior Level (through 8th grade), and High School Level, grades 9 – 12. If you know of an outstanding student and would like to recommend them for an audition please give them a copy of the attached application.

The deadline for receiving applications is January 25, 2023, and auditions will be held on Tuesday, February 7th, at the Paradise Adventist Academy, 5699 Academy Drive, Paradise.

The 1st Place winner from each level will perform as guest soloist with the Paradise Symphony Orchestra under the direction of Dr. Lloyd Roby in the April 30th concert at the Performing Arts Center. In addition to performing with the symphony, 1st place winners will also receive a cash prize of \$250.

The 2nd place winner of each level will receive \$100. The judges have the option to eliminate a level if they decide that there is not adequate representation and then no awards or performance opportunity would be provided for that level.

Please read the audition form carefully for other pertinent information and to ensure that the applicant qualifies for the audition.

Thank you for your interest in and continued support of our local young musicians.

**Sincerely,
Sylvia Meyer, YAC chairman**
